ABOUT US

SHELVES TECH PRIVATE LIMITED PIONEERING HEALTHCARE INFRASTRUCTURE AND TECHNOLOGY SOLUTIONS

Established in 2013, **Shelves Tech Private Limited**, a New Delhi-based medical equipment trading company, stands as a pivotal player in the global healthcare landscape. We forge strong alliances with Indian OEMs, enabling us to provide affordable, high-quality medical equipment that meets the needs of diverse markets, particularly in emerging economies. Concurrently, our robust network of key global manufacturers ensures that our clients worldwide have access to the latest advancements in medical technology. Beyond simply trading, Shelves Tech offers comprehensive turnkey solutions, encompassing dedicated after-sales support, in-depth training, and proactive maintenance services to guarantee seamless operation and longevity of equipment. Furthermore, we are deeply committed to social impact, acting as a crucial partner for both government initiatives and NGOs in delivering impactful CSR solutions that enhance healthcare accessibility and quality in underserved communities.

OUR EXPERTISE

At **Shelves Tech Private Limited**, We specialize in delivering end-to-end healthcare projects, from conceptualization and design to procurement, installation, and commissioning.

Our core competencies include:

1. Healthcare Turnkey Projects

We undertake complete hospital setup projects, including design, construction, and outfitting of new facilities, as well as expansion and modernization of existing ones. Our holistic approach ensures seamless integration of all components, delivering fully functional and future-ready healthcare environments.

2. Medical Equipment Solutions

We provide a comprehensive range of advanced medical equipment from world-renowned manufacturers and make in India manufactures, ensuring the highest standards of quality and performance. Our offerings include:

Advanced Imaging Modalities

Specializing in CT scan machines including new and refurbished machines, we equip hospitals with high-resolution diagnostic imaging capabilities crucial for accurate diagnosis and treatment planning.

Medical Gas Solutions

We are experts in the design, installation, and commissioning of PSA Oxygen Plants, ensuring a reliable and cost-effective supply of medical-grade oxygen for critical patient care.

Critical Care & Monitoring Equipment

Our portfolio includes a wide array of multipara monitors, ventilators, and other essential equipment for Intensive Care Units (ICUs) and emergency departments.

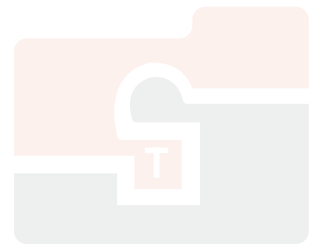

General Hospital Equipment

We supply a full spectrum of hospital equipment, including operation theatre (OT) lights, multi-para monitors, tables, sterilization equipment, and more.

Hospital and Lab Furniture

We provide high-quality, ergonomically designed hospital furniture, including patient beds, examination couches, and storage solutions, ensuring patient comfort and staff efficiency.

3. Specialized Lab Setup & Integration

We possess unique expertise in the design and establishment of advanced laboratories within various settings:

Hospital Laboratories

Setting up clinical pathology, microbiology, biochemistry, and other specialized labs within hospitals, ensuring efficient workflow and accurate diagnostics.

Research Centers

Developing and equipping state-of-the-art research laboratories for scientific inquiry and innovation.

University Laboratories

Creating and upgrading academic and teaching laboratories for medical, scientific, and allied health programs.

OUR GLOBAL FOOTPRINT & PROVEN SUCCESS

Shelves Tech Private Limited, has a distinguished history of successfully executing projects for both government and private entities, demonstrating our capability to navigate diverse regulatory landscapes and project complexities. **Our notable achievements include:**

**Government of Nagaland,
